To pursue Master's Degree in Computer Sciences for enhancing my creativity and innovation towards my technical abilities and skills in the field of technology backed by hard work, diligence and determination.

Academic Qualification:

Qualification	Name of the Institution	University	Year	Percentage
Bachelor of Information Technology (B.E.)	Sinhgad Institute of Technology, Lonavala, Pune.	Savitaribai Phule Pune University (formerly Pune University)	2014-15	62.4%
Bachelor of Information Technology (T.E.)	Sinhgad Institute of Technology, Lonavala, Pune.	Savitaribai Phule Pune University (formerly Pune University)	2013-14	56.46%
Bachelor of Information Technology (S.E.)	Sinhgad Institute of Technology, Lonavala, Pune.	Savitaribai Phule Pune University (formerly Pune University)	2012-13	61.00%
Diploma in computer engineering	MET's Bhujbal Knowledge City, Nashik (Mumbai University)	MSBTE	2009-12	69.35%
10th	Army School Devlali, Nashik	CBSE	2009	79.20%

Computer Skills

MS-Office, MS-Office 365, Photoshop, Computer hardware & software maintenance, C, C++, C#.Net, JAVA, DBMS, VB.net, WCF, ASP – MVC, Web-API, WCF, WPF.

Additional Qualification

➢ Microsoft Certified Professional (MCP) in C# and Security Fundamentals. (MC ID: 10671772)

➢ Microsoft Technology Associate. (MTA)

➢ Certified Ethical Hacking Expert Level 1, by TECHDEFENCE & IIT Mumbai

Linguistic Ability: English, Hindi, Marathi

Career Counter: Workshop & Seminar Organized

Key Deliverable
---

1) **Invited as a guest lecturer for workshop on Basic C and C++ at HMR, NCR, Delhi. (1-week workshop)**

2) **Active Volunteer at Hour of Code (an initiative by www.code.org) in local schools or video chats.**

3) **Invited as a guest lecturer windows Phone 8 App Development (4 days' workshop)**

4) **Invited as a guest lecturer VB.NET Seminar (1 day)**

5) **Invited as a guest lecturer ASP.NET & C#.NET (1-week workshop)**

Work Experience:

1. Freelance:
- **Work Areas:** Software and Web Development, Designing, Automation Solution
- **Time Span:** November 2015 – Current Date

2. Manage Code Cultivate(MCC):
- **Designation:** Technical Evangelist Intern
- **Time Span:** October 2015

Projects Undertaken:

1. **Cost Effective Failover Clustering System (Distributed System)   (Final year project- B.E.)**
- Platform Independent DBMS in HA (High Availability) cluster to provide minimum downtime to the clients.

2. **Project title: KID-NEE (windows phone 8 App.)**
- This app is uniquely identified for its GUI as it tries to connect the user and expresses the condition of kidney using some simple animations

3. **Project title: Healing Touch (windows 8 Desktop App.)**
- To make an application highly user interactive with least amount of written information.
- The app uses high level GUI to give information of human body

4. **Project title: INFOSIT Event Management**

5. **MSBTE Examination Control System   (Final year project- Diploma)**
- My role: Team leader.
- MET-BKC, Nashik sponsored for this software   *.*

On-going Research Project:
Lab of things (LoT):
- Lab of Things (LoT) is a flexible platform for experimental research that uses connected devices in homeOS and beyond.
- Further in my research I narrow down this concept for the ALS suffering students with the vision of making them independent for basic needs.

Awards/Recognition/Achievements:

1) Winner of **NOKIA DO GOOD HACKATHON** at all India level for app "KID-NEE" in health category.

2) Registered in **Guinness Books of world Record**, with collaboration of Microsoft.

3) Certified **ALE (Microsoft excellence lab)** by Microsoft for App "Healing Touch" for Windows 8 OS.

4) Winner of **Mutation** 2014, College level project exhibition.

Workshops/ Seminars/Events Attended:

1) Developer Premier League 2014, Pune, 1-day event (By Devwox)

2) Nokia Do Good Hackathon 2013, Pune, 1-day event (By Nokia & Devwox)

3) Microsoft Boot camp 2013, Lonavala, 2-day workshop (By Microsoft)

4) Microsoft TechDay 2013, Lonavala, 1-day seminar (By Microsoft)

5) Microsoft AppFest 2012, Bangalore, 24hr event (By Microsoft India)

6) Mobile Control Robotics 2010, Nashik, 2-day workshop (By SIT, Pune)

7) Ethical Hacking Level 1, 2 days' Workshop (By Techdefense & IIT, Bombay)

Personal Interest/ Hobbies:

1) Playing guitar.

2) Exploring and experimenting on technologies.

3) Reading Biographies of various scientific achievers.

4) Hypothetical and technical group discussions.

5) Spending time on LEGO construction.

Yours Sincerely
PRITESH C. BHAVSAR
